

# EcoMod Modeling School

## Program logistics for the London program

Program Start Date and Time	April 10, 2017 Breakfast & Check-In: 8:15 am Class Begins: 9:00 am
Program End Date and Time	April 13, 2017 Class Ends: 1:00 pm
Program Venue	<b>King's College London Strand Campus, Room K0.16 London WC2R 2LS UK United Kingdom</b>
Computers and Materials	<b>You</b> need to download the free demo version of Matlab R2016a. PLEASE NOTE: The GVAR Toolbox 2.0 does not work under the operating system Yosemite, and also there may be problems with anyone using the latest version of Excel. In addition, it is not compatible with the Matlab release R2015b due to the introduction of a new execution engine by Matlab which has changed the way structures are handled in this version. The toolbox works fine with the Matlab release R2016a.
Hotel Information	You will be responsible for your own accommodations.
Travel	The Closest Underground station is Temple, which is a 2 minute walk to King's Building. Detailed directions and are attached can also be found <a href="#">here</a> . Once in the building King's Building ( <i>South Range 5</i> ), from reception, go straight ahead down the corridor to the very end, turn left just before the staircase, K0.16 is the first door on your right.
Meals	On Monday, a continental breakfast will be provided for you. On Thursday night, you are invited to a closing dinner at a local restaurant. Every day, light refreshments are offered during class breaks.
Dress Code	The atmosphere of the course is informal, so casual attire is appropriate.
Visiting King's College	Here's a link to the College and campus information: <a href="http://www.kcl.ac.uk/campuslife/campuses/strand/Strand.aspx">http://www.kcl.ac.uk/campuslife/campuses/strand/Strand.aspx</a>
